'The Dark Eye' is Germany's best-selling role-playing game and will be available in an English version in October 2002. The officially licensed 'The Dark Eye' and 'Armialion' miniature ranges depict the heroes, personalities, and creatures of this fantastic universe in 28mm-scale, but are equally suitable for other Fantasy role-playing games, collecting, or diorama building. All blister packs have a FULL-COLOUR insert showing (painted) contents, barcode, and multi-language description.
